

Pediatric Brain Tumor Foundation®

PBTF Scholarship Program

Scholarships offer more than financial assistance. They also acknowledge the unique accomplishments of brain tumor survivors. The PBTF is proud to offer a scholarship program to students who have survived a central nervous system tumor.

Awards may be used to cover tuition, fees and books at any accredited post-secondary institution, including technical schools, vocational schools, junior colleges and four-year colleges or universities. (At this time, our scholarship awards are not available to graduate students.)

Eligibility criteria

Students must meet the following criteria to apply for a PBTF scholarship:

- Diagnosed at or before age 19 with a primary malignant or non-malignant central nervous system brain and/or spinal cord tumor
- At least a senior in high school
- 23 years old or younger on or before Aug. 31, 2010

Notice for Tim & Tom Gullikson Foundation (TTGF) scholarship recipients

The PBTF will consider you for a scholarship for the 2010-2011 academic year if:

- you are a survivor of a pediatric brain tumor,
- you received a TTGF scholarship for the 2008-09 academic year, AND
- you have received fewer than four TTGF scholarships.

If you would like to apply for a scholarship, please complete and sign the attached Scholarship Application Request Form. Send it to the address listed below or fax it to 828-665-6894.

If you are eligible for the scholarship, we will send you a full application packet. Your completed application packet must be postmarked by Monday, March 1, 2010. We will announce the 2010 awards in June 2010 and notify all applicants by mail.

Award checks will then be issued upon receipt of the student's tuition statement and/or textbook receipts. Tuition will be paid directly to the educational institution. Awards may be used to cover tuition, fees or books at accredited technical schools, vocational schools, junior colleges or four-year colleges and universities.
